Childhood Cancer Foundation of Southern California, Inc. is a non-profit organization whose mission is to provide emotional, social, educational and emergency assistance to families who have or have had children with cancer.

We are committed to supporting the families emotionally so they feel less isolated, frustrated and fearful in dealing with the problems that cancer can manifest within the family structure. By the age of 20, one child or teen in 330 is diagnosed in the United States. More children die of cancer than of any other disease, including asthma, diabetes, cystic fibrosis, congenital anomalies and AIDS, COMBINED.

Childhood Cancer Foundation of Southern California, Inc. relies on donations from individuals, businesses, organizations and clubs in the community to continue to provide assistance and support to children and their families.

CHIP AWAY AT CANCER

August 21, 2013

Dominick Gonzalez is an adorable soon-to-be 3 year old boy who was diagnosed with cancer at the very young age of 5 months. Childhood Cancer Foundation was fortunate to have had the opportunity to offer support services to the family while he was in treatment. We are pleased to share that he is doing very well and recently, a family friend coordinated a charity golf tournament, Chip Away at Cancer, to benefit Childhood Cancer Foundation in order to continue providing the services that once helped Dominick and his family through their journey through treatment.

The supporters of the tournament helped raise an amazing \$4,200 in support of our programs! Childhood Cancer Foundation is very grateful to Jonathan Quijano, the tournament director, and the Gonzalez family for their support and dedication to children like Dominick.

CHIP AWAY AT CANCER

21 agosto 2013

Dominick González pronto cumplirá 3 años y fue diagnosticado con cáncer a la temprana edad de 5 meses. Childhood Cancer Foundation tuvo la suerte de haber tenido la oportunidad de ofrecer servicios de apoyo a la familia mientras estaba en tratamiento. Nos complace compartir que está muy bien y hace poco, un amigo de la familia coordinó un torneo de golf, "Chip Away at Cancer," en beneficio de la fundación con el fin de continuar dando el servicio que un tiempo ayudó a Dominick y su familia a través de su viaje a través del tratamiento.

¡Los participantes y patrocinadores del torneo ayudaron a recaudar una increíble donación de \$4,200 en apoyo a nuestros programas! Childhood Cancer Foundation está muy agradecida con Jonathan Quijano, el director del torneo, y la familia Gonzalez por su apoyo y dedicación a los niños como Dominick.

CANDLE LIGHTING CEREMONIES

September 4 & 25, 2013

Every year Childhood Cancer Foundation invites families to join together in the month of September for two Candle Lighting Ceremonies in honor of children who have or had cancer. September is Childhood Cancer Awareness month and we strive to bring as much community awareness as we can throughout the entire month.

The first Candle Lighting Ceremony was held in the breezeway between Loma Linda University Children's Hospital and the Medical Center on September 4th. We invite childhood cancer patients currently in treatment and those who are now survivors to join us in a ceremony to mark the continued effort we will put together in their honor. Families join together and visit with families who are recently diagnosed and offer their support. Others meet with old friends they haven't seen in a while. This year we had the honor of welcoming Kitzia Gomez and Shawn Graham, both cancer survivors, to share about their journey with cancer and survivorship.

Later in the month on September 25, we joined together once again this time to honor the memory of all the children we have grown to love and admire through their battle with cancer. Families are invited to bring photos to share of their children. Every family has experienced

a loss and this offers them a moment to share memories, stories, and encouragement to everyone who understands what they are going through. We light four candles: one for our sadness, one for our memories, one for our love, and one for our commitment and then release balloons that carry messages of love, of longing, and of hope to one day be with them again.

We would like to thank the National Charity League for offering their support and sponsoring the refreshments at the Candle Lighting Ceremonies and many thanks to Elena Klopfer for her kindness and support of the Memorial Ceremony.

CEREMONIAS DE VELAS

4 & 25 septiembre 2013

Cada año Childhood Cancer Foundation invita a todas las familias en el mes de Septiembre para dos Ceremonias de Velas en honor a los niños que tienen o han tenido cáncer. Septiembre es el mes del Conocimiento de cáncer infantil y nos esforzamos por traer conocimiento a la comunidad durante todo el mes.

La primera Ceremonia de Velas fue en la brisa en medio de Loma Linda University Children's Hospital el 4 de septiembre. Invitamos a las familias que tienen a un hijo/a actualmente recibiendo tratamiento y los que son ahora sobrevivientes para acompañarnos en una ceremonia, en la cual marcamos el esfuerzo continuó que ponemos junto en su honor. Las familias que tienen tiempo en su batalla contra el cáncer visitan con familias que recientemente han sido diagnosticadas y ofrecen su apoyo. Otros se reencuentran con amigos viejos que no han visto por mucho tiempo. Este año tuvimos el honor de estar acompañados por Kitzia Gómez y Shawn Graham, ambos sobrevivientes de cáncer, donde compartieron de sus experiencias con el cáncer y sobrevivencia. Para el 25 de septiembre, nos juntamos una vez más para honrar esta vez la memoria de todos los niños que hemos crecido admirar por su batalla contra el cáncer. Las familias son invitadas a traer fotos de sus niños para compartir. Cada familia ha sido afectada por una pérdida y esta ceremonia les ofrece un momento de compartir memorias, historias, y de dar ánimo a todos quienes comprenden sus sentimientos. Encendemos cuatro velas: una para nuestra tristeza, una para nuestras memorias, una para nuestro amor, y una para nuestro compromiso. Al final soltamos globos que llevan mensajes de amor, anhelo, y esperanza a un día estar junto con ellos.

Querremos dar gracias a National Charity League por ofrecer su apoyo y patrocinar los refrescos en la ceremonia de velas. Un agradecimiento especial a Elena Klopfer por patrocinar la ceremonia conmemorativa.

CARDENAS MARKETS DONATES TO CCFSC

Cardenas Markets has concluded another successful fundraising campaign in support of Childhood Cancer Foundation of Southern California's mission to provide emotional, social, education and emergency assistance to families who have a child diagnosed with cancer. For 2 years now, Cardenas Market customers and employees have raised more than \$16,000 through the collection of donations at Cardenas Market check-stands. This year, Cardenas Markets exceeded their previous year's campaign of \$4,678.84 by raising \$11,366.69 for the fight against cancer. Cardenas presented Childhood Cancer Foundation with the wonderful donation on September 11, 2013.

"We are very grateful to the Cardenas Market employees and customers who are helping to make a difference in the lives of young cancer patients and families from their communities," said Armida Kersey, CCFSC Executive Director. "This is a wonderful gift, and we celebrate the incredible effort and support received through this initiative."

Every three and a half minutes a parent hears the devastating news, "Your child has cancer." With these words, normal life stops and a difficult new journey begins; a journey that will test families physically, emotionally, socially, and financially. Families dealing with cancer use every last resource to fight the disease in an effort to keep their child alive. With the support of Cardenas Market, Childhood Cancer Foundation will continue to serve as an integral support service for children and their families facing the challenges that cancer can manifest in their lives.

DONACIÓN DE CARDENAS MARKETS

Cardenas Markets ha concluido una nueva campaña de recaudación de fondos en apoyo de la misión de Childhood Cancer Foundation en proporcionar ayuda emocional, social, educativa y de emergencia a las familias que tienen un niño diagnosticado con cáncer. Durante 2 años, los clientes y empleados de Cardenas Markets han recau-

dado más de \$16,000 dólares a través de la recolección de donaciones en el punto de cobro. Este año, Cardenas Markets superó su campaña del año anterior donde colectaron \$4,678.84 recaudando \$11,366.69 para la lucha contra el cáncer. Cardenas presentó la donación el 11 de septiembre de 2013.

"Estamos muy agradecidos a los empleados y clientes de Cardenas Markets que están ayudando a hacer una diferencia en las vidas de los pacientes jóvenes con cáncer y sus familias," dijo Armida Kersey, Directora Ejecutiva de CCFSC. "Este es un regalo maravilloso, y celebramos el esfuerzo y el apoyo recibido a través de esta iniciativa increíble."

Cada tres minutos y medio un padre recibe la noticia devastadora: "Tu hijo tiene cáncer." Con estas palabras, la vida normal cambia y comienza una nueva etapa difícil, una etapa que pondrá a prueba las familias físicamente, emocionalmente, socialmente y económicamente. Las familias afectadas por el cáncer utilizan hasta el último recurso para luchar contra la enfermedad, en un esfuerzo para mantener vivo a su hijo. Con el apoyo de Cardenas Markets, Childhood Cancer Foundation continuará sirviendo como un servicio de apoyo integral a los niños y sus familias que enfrentan los desafíos que el cáncer puede manifestar en sus vidas.

BEACH REUNION

August 10, 2013

Teen Connection was excited to host its 2nd Beach BBQ Reunion this year. Teen Connection "graduates" and current teens were invited to join in some fun under the sun at Huntington Beach on August 10th.

The teens couldn't wait to get down to the water once we arrived, they all flung off their sweaters and shoes and ran straight into the ocean not concerned about how cold the water might be. The gang rounded up for lunch under pop-up tents that shaded all of us nicely as we enjoyed

yummy hamburgers, hotdogs, chips, and all sorts of other goodies. All the teens were very supportive of each other and they all agreed that they were looking forward to their wonderful lives ahead of them. We enjoyed a game of beach volleyball, took pictures, and roasted s'mores on the fire.

We would like to thank the Brierty Family, Larita, Janelle and Kristin for joining the teens in this adventure under the sun. We hope you enjoyed your time with the teens.

REUNION EN LA PLAYA

10 agosto 2013

Teen Connection se emocionó al celebrar su segunda reunión en la playa. Adolescentes del grupo Teen Connection que se han "graduado" del programa junto a los adolescentes actualmente participantes del programa fueron invitados a participar en día de diversión bajo el sol en Huntington Beach, el 10 de agosto. No podían esperar a llegar al agua, en cuanto llegamos todos se quitaron sus suéteres y zapatos y corrieron directamente hacia el océano sin preocuparse de lo frío que estuviera el agua. Nos juntamos para almorzar bajo tiendas de campaña que daban sombra, y disfrutamos deliciosas hamburguesas, perritos calientes, chips, y mucho más. Todos los jóvenes fueron un gran apoyo el uno del otro y todos coincidieron en que estaban ansiosos en disfrutar sus vidas por delante de ellos. Disfrutamos de un partido de voleibol, fotos y s'mores tostados en el fuego.

Nos gustaría dar las gracias a la Familia Brierty, Larita, Janelle y Kristin por acompañar a los adolescentes en esta aventura bajo el sol. Esperamos que hayan disfrutado de su tiempo con el grupo.

KNOTT'S SCARY FARM

September 28, 2013

We all got our share of spooks at our annual trip to Knott's Scary Farm. We loaded up the van and headed down to Buena Park to begin our trail through the haunted mazes and spooky rides on September 28th.

Donato, Charlotte, Ismael, Jennifer, Matthew, Kitzia, Sabree, and Elizabeth along with chaperones firefighter Chad, Kristin and Stephanie trailed down to Knott's Scary Farm after they had their fill of yummy pizza. We walked through many of their mazes, enjoyed some of the rides and took pictures with the monsters and with their displays. Everyone enjoyed their time there and had lots of fun.

We would like to thank firefighter Chad and Kristin for joining us and sharing the laughs and the scares!

KNOTT'S SCARY FARM

28 septiembre 2013

Todos disfrutamos de fantasmas y miedo en nuestro viaje anual a Knott's Scary Farm. Nos subimos a la camioneta y nos dirigimos hacia Buena Park para comenzar nuestro camino a través de los laberintos embrujados y paseos miedosos el 28 de septiembre.

Donato, Charlotte, Ismael, Jennifer, Matthew, Kitzia, Sabree, y Elizabeth junto con acompañantes bombero Chad, Kristin y Stephanie caminaron todo el parque de Knott's Scary Farm después de haber disfrutado pizza deliciosa. Caminamos a través de muchos de los laberintos, disfrutamos de algunos de los paseos y tomamos fotos con los monstruos y con sus pantallas. Todos disfrutamos de la diversión que nos ofreció nuestra noche de miedo.

¡Nos gustaría dar las gracias al bombero Chad y Kristin por acompañarnos y compartir las risas y sustos!
