## HALLOWEEN PARTY

October 19, 2013

Every Fall Childhood Cancer Foundation of Southern California invites families to join them for their Annual Halloween Party. This year, Greenspot Farm in Mentone, welcomed the group of over 100 children and their parents to enjoy an afternoon of family fun on October 19th. Children arrived in their best costumes as they enjoyed a tractor ride, trips to the petting zoo, games, light refreshments and more. Riverside City College Cosmetology students joined in the event festivities by providing face painting for all guests. CCFSC also provided Halloween decorations and gifts for all the children to take home along with a pumpkin fit for carving. The Halloween Party is such a special outing for our little ones and their families. We put all these families together and give them hope. The newly diagnosed families see other kids who have made it, they're older and it gives them the hope that their kids will soon arrive to where they are. It takes away a lot of fear. A special thank you to: Greenspot Farm, National Charity League, Edison Volunteers, CCFSC Volunteers, George and Sharon Apker, Judy Wescott – Kiwanis, RCC Cosmetology and Jarritos for making this event possible.

## FIESTA DE 'HALLOWEEN'

19 Octubre 2013

Cada otoño La Fundación de Cáncer Infantil del Sur de California invita a familias a su fiesta Anual de Halloween. Este año , Greenspot Farms en Mentone, dio la bienvenida al grupo de más de 100 niños y sus padres para disfrutar de una tarde de diversión en familia el 19 de Octubre.

Los niños llegaron con sus mejores disfraces y disfrutaron de un paseo en tractor, viajes al zoológico de mascotas, juegos, refrescos y más. Estudiantes de la Escuela de Cosmetología de Riverside City College se unieron a las festividades del evento, proporcionando pintura de cara para todos los niños. CCFSC también proporcionó decoraciones de Halloween y regalos para todos los niños para llevar a casa, junto con una calabaza.

La fiesta de Halloween es una excursión muy especial para nuestros niños y sus familias. Juntamos a todas estas familias y les damos esperanza. Las familias de los nuevos diagnósticos conocen a otros niños que han sobrevivido y terminado tratamiento, son mayores y les da la esperanza de que sus hijos lleguen pronto a donde están ellos. Eliminamos un poco el miedo del diagnóstico.

Un agradecimiento especial a: Greenspot Farm, la Liga Nacional de la Caridad, Voluntarios de Edison, Voluntarios de CCFSC, George y Sharon Apker, Judy Wescott - Kiwanis, Cosmetología de RCC y Jarritos por ayudarnos hacer posible este evento.

## CHRISTMAS CELEBRATION

*December 8, 2013*

The Loma Linda Drayson Center was transformed into a Winter Wonderland for Childhood Cancer Foundation of Southern California's 32nd Annual Christmas Celebration presented by the California Correctional Peace Officers Association on the evening of December 8th. The annual celebration is provided by Childhood Cancer Foundation with the desire to provide families who are battling cancer the opportunity to enjoy the holidays in a safe environment.

More than 600 children and parents arrived to enjoy of the day's holiday celebration. As the children arrived they were surrounded with over 20 craft tables and activities to choose from. Christmas music filled the gym with holiday cheer. Families enjoyed pizza, donated by Domino's Pizza in Redlands, and other goodies while listening to an interactive music program. One of the most important guests of the party, Santa Claus, arrived shortly after Mariachi Itiel's performance to visit with each child. Each child received a wrapped gift from Santa and had a family photo taken. It's in our hearts to make sure this holiday is the best for all of our children. This event provides a couple care and stress free hours of fun for all the patients, siblings, and even the parents to enjoy. Santa was in need of some extra holiday magic this year. Over 70 bicycles were provided through a campaign spearheaded by the Alexis Victoria Salon & Spa and the CCFSC Board of Directors, spreading smiles through all the children who received one.

There are really too many people to thank for making this event special for the children and their families. But we do wish to recognize the tremendous contribution of the use of the Drayson Center and the support provided for this event by the California Correctional Peace Officers Association, San Manuel Band of Mission Indians, Loma Linda University Children's Hospital Foundation, The Gas Company, San Bernardino Public Employees Association, Women of the Moose Big Bear #0359, Alexis Victoria Salon & Spa – Staff & Clients, Domino's Pizza of Redlands, Drayson Center, Ines & Joe Stewart, San Bernardino County Fire Department, Loma Linda University Campus Engineering, Redlands Fire Department, Redlands Police Officers Association, San Bernardino Water Department Customer Service, San Bernardino Water Department Mid-Manager's Association, Stacey Aldstadt, The Raincross Quilt Guild, and Zareh Sarrafian – COO LLUMC. We would like to thank all the volunteers that gave of their time to help CCFSC provide a magical Christmas Wonderland for all of our families. Last, but definitely not least, we would like to send a special thank you to Santa Claus, George Finkle, for spreading the Christmas cheer!

## 2014 CALENDAR UNVEILING PARTY

December 11, 2013

Childhood Cancer Foundation unveiled the 2014 "When I Grow Up" Calendar on December 11 at the Loma Linda University Children's Hospital. The 2014 Calendar features 12 beautiful child models pictured in scenes capturing their dreams for when they "grow up." Although our models represent various professions, they share a common bond: cancer. Every three and a half minutes a parent hears the devastating news, "Your child has cancer." With these words, normal life stops and a difficult new journey begins; a journey that will test families physically, emotionally, socially, and financially. The children and families we are so privileged to serve come from all corners of our community and from all different backgrounds and circumstances, cancer knows no race or economic status. The focus of the calendar is to highlight how all these children share a bond of Hope through every dream for the future. Featured in the cover shot is Francisco Avina, age 5 and members of the San Manuel Fire Department. San Manuel Band of Mission Indians has sponsored the production of the calendar. Sponsors and donors also include: Johnny Jaquez Photography, Kissui Baby and Children Boutique, State Farm – Loma Linda, The Art Institute-Inland Empire, Chaparral Motorsports, San Manuel Fire Department, City of San Bernardino Water Department, Sturges Center for the Fine Arts, and Loma Linda Pediatric Hematology Oncology.

The calendar is photographed by Johnny Jaquez from Johnny Jaquez Photography. – [www.johnnyjaquezphotography.com](http://www.johnnyjaquezphotography.com). Calendars are NOW AVAILABLE online at [www.ccfsoal.org/calendar](http://www.ccfsoal.org/calendar). Or contact CCFSC to order via phone (909)558-3419. While supplies last.

## FIESTA DE REVELAMIENTO DEL CALENDARIO 2014

11 Diciembre 2013

Dimos a conocer el calendario de 2014 "Cuando Crezca" el 11 de Diciembre en el Hospital de la Universidad de Loma Linda. Aparecen 12 modelos en el calendario representados en escenas que capturan sus sueños para el futuro. Aunque nuestros modelos representan diferentes profesiones, comparten algo en común: cáncer. Cada tres minutos y medio un padre escucha la devastadora noticia: "Tu hijo tiene cáncer." Con estas palabras, se detiene la vida normal y comienza un nuevo viaje difícil, un viaje que pondrá a prueba las familias físicamente, emocionalmente, socialmente y económicamente. Los niños y las familias que tenemos el privilegio de servir vienen de todos los rincones de nuestra comunidad y de todos los orígenes y circunstancias, el cáncer no distingue entre raza o situación económica. El objetivo del calendario es demostrar la forma en que comparten esperanza entre cada sueño para el futuro. Incluidos en la foto de portada es Francisco Avina, de 5 años y los miembros del Departamento de Bomberos de San Manuel. San Manuel Band of Mission Indians ha patrocinado la producción del calendario. ## ICE TOWN

November 16, 2013

Chaperones Kristin and Stephanie, along with the teens from Teen Connection put their ice skating skills to the test at the Ice Town Ice Rink in Riverside.

Before hitting the ice, we enjoyed a pizza dinner as we shared some laughs at the Childhood Cancer Foundation office. Once at the ice rink, we had fun weaving in and out of all the people there. There were a few hiccups, but everyone did pretty good. The trip was a lot of fun and the group was awesome.

Thank you to our volunteer Kristin for joining us on this trip and throughout the year!

## VIAJE DE PATINAJE EN HIELO

16 Noviembre 2013

Acompañantes Kristin y Stephanie, junto con los adolescentes del grupo Conexión de Jóvenes pusieron sus habilidades de patinaje sobre hielo a la prueba en la Pista de Hielo "Ice Town" de Riverside.

Antes de patinar en el hielo, disfrutaron de una cena de pizza en la Oficina de La Fundación de Cáncer. Una vez en la pista de hielo, se divirtieron mucho entrando y saliendo de todas las personas allí. Había unas cuantas caídas, pero le fue muy bien a todos! El viaje fue muy divertido y el grupo fue impresionante.

¡Gracias a nuestros voluntarios Cristina por acompañarnos en este viaje y durante todo el año!
